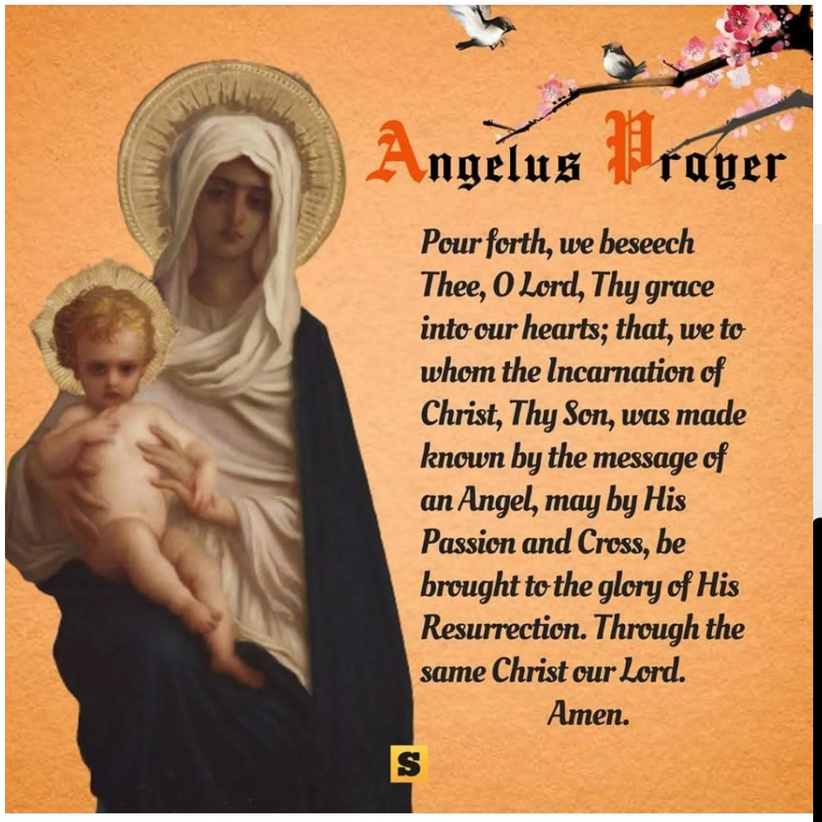
May the Angelus remind us to choose love, humility, and obedience to God. 🙏



Angelus Prayer
Pour forth, we beseech Thee, O Lord, Thy grace into our hearts; that, we to whom the Incarnation of Christ, Thy Son, was made known by the message of an Angel, may by His Passion and Cross, be brought to the glory of His Resurrection. Through the same Christ our Lord.
Amen.

HUGE NEWS: Thanks to **Captain Mark Kelly**'s intervention and leadership, Annie Ramos, the newlywed wife of U.S. Army Staff Sergeant Matthew Blank, has been RELEASED from ICE custody.

ICE had previously taken Ramos from the Louisiana army base where the couple planned to live, and where Blank had been training for deployment. After hearing about this, Senator Kelly contacted the Department of Homeland Security, speaking directly with Secretary Markwayne Mullin to push for Ramos's release.

The next day, Ramos was in her husband's arms in a warm embrace.

Senator Kelly, America thanks you for your leadership 🇺🇸

How to Cleanse Your Soul of All Sin & Punishment on Divine Mercy Sunday
The feast of the Divine Mercy is the first Sunday following Easter Sunday. This year, it falls on April 12, 2026.
On Divine Mercy Sunday, Catholics have the opportunity to receive probably the most powerful grace
According to Father Chris Alar, MIC, of the Marian Fathers of the Immaculate Conception, Divine Mercy Sunday is the "most important day of the year" for Catholics.
"The eighth day, symbolic of our last day on earth, entering into eternity to clean us up and that we're spotless," Father Chris Alar explains. "On this one day, Jesus promises the floodgates of his mercy are open."
"Jesus says on this one day, you can be forgiven not only of all sin, but also of all punishment," he continues. "It is wiped clean, and your soul will never be cleaner than it is on your original baptism.
In Saint Faustina's diary, Jesus explains how to obtain the unique graces on Divine Mercy Sunday:
"The soul that will go to confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day, all the Divine floodgates through which graces flow are opened. Let no soul fear to draw near to Me, even though his sins be as scarlet....Mankind will not have peace until it turns to the fount of My Mercy." (Diary, 699)

danibarretto Dear Claudia and Basti,

Congratulations on this incredible milestone,
10 years in the making. Your love, patience, and commitment have brought you to this moment, and it's truly something to be celebrated.

Savor every second, hold each other a little tighter, and let your hearts be full. This day is yours, soak in all the joy, the laughter, the love. You deserve every bit of it.

Don't let anything or anyone dim the light of this moment. It's your story, your love, and your forever beginning.

I wish you both a lifetime of happiness, adventure, and love that only grows deeper with time. ❤️

I love you more than words can ever express @claudia ❤️

“Good luck sa kanya.”

Vice President Sara Duterte made the remark when asked by the media in Davao City on Thursday about rumors surrounding the health of President Ferdinand Marcos Jr.

Marcos attended the 84th anniversary of Araw ng Kagitingan in Bataan on Thursday, amid social media posts claiming he had been confined in a private hospital due to stage 4 cancer.

Malacañang Palace warned against the spread of false information regarding the president’s health and said it would file complaints against those responsible. | via Hernel Tocmo, ABS-CBN News

Kagaya nga ng sabi ni VP Inday Sara sa isang interview, 30 years daw ang kailangan para tuluyang maayos ang isang bansa.

Kung ganun, bakit pa tayo lalayo? Dito na tayo sa pamilyang Duterte na subok na ng panahon. Kung tuloy-tuloy ang nasimulan, hindi na kailangan magsimula ulit.

Kumakalat sa Facebook ang isang in-edit na post mula sa GMA News kung saan "pinalinaw" ang isang larawan at ang nakalagay na petsa ay April 15, 2024.
Hindi totoo ang petsang nakasaad sa larawan ng pulong ni Pang. Bongbong Marcos. Ang mga larawan ay galing sa ikalawang UPLIFT meeting noong April 7, 2026 ng Pangulo kasama ang kanyang cabinet secretaries. Galing din ito sa Presidential Communications Office.

ATONG ANG ALMOST ARRESTED?

Interior Secretary Jonvic Remulla said authorities nearly arrested businessman Atong Ang following a reported sighting in the Philippines earlier today.

In an interview with One News' 'Storycon,' Remulla disclosed that the Department of the Interior and Local Government (DILG) received a tip about Ang's whereabouts in the morning.

However, by the time operatives arrived at the location, Ang had reportedly left.

Despite being renamed back to "GMA News", the logo of GMA Integrated News is still displayed on the bottom left-corner of the screen during the airing of Holy Week Special News Coverage (this photo is taken last Maundy Thursday, April 4, 2026).

Last March 31, 2026 where was revealed in 24 Oras that GMA Integrated News has been reverted to it's old name, GMA News after using for almost 4 years and this also marks the returning of the famous "Serbisyong Totoo" slogan and catchphrase.

Statement on the violation of three key clauses of the 10-Point Proposal (Agreed Framework) before the start of the negotiations

The deep historical distrust we hold toward the United States stems from its repeated violations of all forms of commitments — a pattern that has regrettably been repeated once again.

As the President of the United States has clearly stated in his Truth, the Islamic Republic of Iran's 10-Point Proposal is a "workable basis on which to negotiate" and the main framework for these talks. However, 3 clauses of this proposal have been violated so far:

1- Non-compliance with the first clause of the 10-Point Proposal regarding the ceasefire in Lebanon — a commitment that Prime Minister Shehbaz Sharif has also explicitly referred to and declared as "an immediate ceasefire everywhere, including Lebanon and other regions, effective immediately";

2- The entry of an intruding drone into Iran airspace, which was destroyed in the city of Lar in Fars Province, in clear violation of the clause prohibiting any further violation of Iran airspace;

3- Denial of Iran's right to enrichment, which was included in sixth clause of the framework.

Now, the very "workable basis on which to negotiate" has been openly and clearly violated, even before the negotiations began.

In such situation, a bilateral ceasefire or negotiations is unreasonable.

OFFICIAL STATEMENT OF IRAN:

TEHRAN-7 APRIL 2026

On behalf of the Islamic Republic of Iran, I express gratitude and appreciation for my dear brothers HE Prime Minister of Pakistan Sharif and HE Field Marshal Munir for their tireless efforts to end the war in the region.

In response to the brotherly request of PM Sharif in his tweet, and considering the request by the U.S. for negotiations based on its 15-point proposal as well as announcement by POTUS about acceptance of the general framework of Iran's 10-point proposal as a basis for negotiations, I hereby declare on behalf of Iran's Supreme National Security Council:

If attacks against Iran are halted, our Powerful Armed Forces will cease their defensive operations.

For a period of two weeks, safe passage through the Strait of Hormuz will be possible via coordination with Iran's Armed Forces and with due consideration of technical limitations.

Seyed Abbas Araghchi
Minister of Foreign Affairs
Islamic Republic of Iran

Iran's 10-point peace plan

1. Guarantee that Iran will not be attacked again

2. Permanent end to the war, not just a ceasefire

3. End to Israeli strikes in Lebanon

4. Lifting of all US sanctions on Iran

5. End to all regional fighting against Iranian allies

6. Iran would reopen the Strait of Hormuz

7. Iran would impose a $2m fee per ship transiting Hormuz

8. Iran would split these fees with Oman

9. Iran would establish rules for safe passage through Hormuz

Conor Hylton, 26, was declared dead via a "tele-health provider" on a video screen, rather than a person at the hospital, according to a lawsuit that his family filed against the hospital.

Hylton's case seems to underscore the increasing number of patients who don't see an intensive care unit specialist in person, even in an emergency, experts say. And even as the use of telehealth has grown in recent years, standards for its use – particularly in these circumstances – haven't kept up. https://cnn.it/47RpXur

Favourable views of Israel and confidence in Prime Minister Benjamin Netanyahu are declining among Americans, according to an April 7 survey by the Pew Research Center.

Favourable views of Israel stand at 37% in 2026, down from 45% in 2025 and 55% in 2022. Meanwhile, nearly two-thirds now view Israel unfavourably, up from about half last year.

Confidence in Netanyahu stands at around 27%, with 59% saying they have little or no confidence in him "to do the right thing regarding world affairs."

Negative perceptions on Israel, along with low confidence in Netanyahu, were especially pronounced among Americans under the age of 50 across both political parties.

TRUMP IS GOING AFTER RIGHT-WING MEDIA
Donald J. Trump
@realDonaldTrump
I know why Tucker Carlson, Megyn Kelly, Candace Owens, and Alex Jones have all been fighting me for years, especially by the fact that they think it is wonderful for Iran, the Number One State Sponsor of Terror, to have a Nuclear Weapon — Because they have one thing in common, Low IQs. They're stupid people, they know it, their families know it, and everyone else knows it, too! Look at their past, look at their record. They don't have what it takes, and they never did! They've all been thrown off Television, lost their Shows, and aren't even invited on TV because nobody cares about them, they're NUT

They've all been thrown off Television, lost their Shows, and aren't even invited on TV because nobody cares about them, they're NUT JOBS, TROUBLEMAKERS, and will say anything necessary for some "free" and cheap publicity. Now they think they get some "clicks" because they have Third Rate Podcasts, but nobody's talking about them, and their views are the opposite of MAGA — Or I wouldn't have won the Presidential Election in a LANDSLIDE. MAGA agrees with me, and just gave CNN a 100% Approval Rating of "TRUMP," not Hand Flailing Fools like Tucker Carlson, who couldn't even finish College, he was a broken man when he got fired from Fox, and he's never been the same — Perhaps he should see a good psychiatrist! Or Megyn Kelly, who nastily asked me the now famous, "Only Rosie O'Donnell," question, or "Crazy" Candace Owens, who accuses the Highly Respected First Lady of France of being a man, when she is not, and will hopefully win lots of money in the ongoing lawsuit. Actually, to me, the First Lady of France is a far more beautiful woman than Candace, in fact, it's not even close! Or Bankrupt Alex Jones, who says some of the dumbest things, and lost his entire fortune, as he should have, for his horrendous attack on the families of the Sandy Hook shooting victims, ridiculously claiming it was a hoax. These so-called "pundits" are LOSERS, and they always will be! Now Fake News CNN, The Failing New York Times, and all of the other Radical Left "News" Organizations, are "hailing" them, and

other Radical Left "News" Organizations, are "hailing" them, and giving them "positive" press for the first time in their lives. They're not "MAGA," they're losers, just trying to latch on to MAGA. As President, I could get them on my side anytime I want to, but when they call, I don't return their calls because I'm too busy on World and Country Affairs and, after a few times, they go "nasty," just like Marjorie "Traitor" Brown, but I no longer care about that stuff, I only care about doing right for our Country. MAGA is about WINNING and STRENGTH in not allowing Iran to have Nuclear Weapons. MAGA is about MAKING AMERICA GREAT AGAIN, and these people have no idea how to do that, BUT I DO, because THE UNITED STATES IS NOW THE "HOTTEST" COUNTRY ANYWHERE IN THE WORLD!
President DONALD J. TRUMP

The March 2026 Physician Licensure Examination (PLE) results drew attention after the Professional Regulation Commission (PRC) left the topnotcher unnamed, listing the highest-ranked examinee simply as “name withheld.”

The move, while uncommon, falls within the Commission’s rules when an examinee’s result is not yet final.

'ANO AKO, BUANG?'

Like President Bongbong Marcos, former president Rodrigo Duterte was also dogged by rumours about his health condition.

In 2021, Duterte disappeared from public view for almost two weeks, raising speculations that he was seriously ill.

Malacañang ignored calls for the release of Duterte's health records, saying that there's no need to do so because he is "in the best of health."

The Supreme Court (SC) dismissed with finality in September 2020 a petition on the disclosure of Duterte’s state of health and medical records.| RLL/#IMTNEWS

Vice presidential candidate and Davao City Mayor Sara Duterte on Saturday expressed gratitude to their supporters for preparing "Uniteam Burger."

"Maraming salamat po sa inyong suporta! Dahil diyan, burger kayo sa amin ni Apo BBM!" Duterte wrote in the caption.

Duterte previously told the UniTeam supporters to "throw burgers" at people who want to "cancel" them for campaigning for Marcos-Duterte in the 2022 elections. (Facebook/Libacao Uniteam)

DALAWANG BATA, PATAY NANG MAKULONG SA SASAKYAN

Patay ang dalawang 4-anyos na lalaking mag-pinsan matapos maglaro at makulong sa loob ng nakaparadang sasakyan noong Miyerkules ng tanghali, sa Bgy. Barretto, Olongapo City.

Sa imbestigasyon ng Olongapo City Police Station 6, kasamang naglalaro ng dalawa ang iba pa nilang pinsan nang humiwalay sila. Nakuhanan sa CCTV ang kusang pagpasok sa kotse ng dalawang biktima.

Makalipas ang tatlong oras ay natagpuan silang wala nang malay. Patay na nang maabutan ang isa, habang naisugod pa sa ospital ang isa pang biktima, pero binawian din ng buhay.

Pinaniniwalaang nasawi ang dalawa dahil sa matinding init at kawalan ng hangin o suffocation. (📷: Olongapo Police Station 6) | via Francis Orcio, ABS-CBN News

Well, this happened after Happy Kids and four other IntheBOX.TV channels were removed from the Vietnam Feed.

In the Asia Feed (TV360 Metfone - Cambodia), this channel is different from the 100% English version and doesn't include banners for other IntheBOX.TV Channels in the program like in the Vietnam Feed.

You've seen this segment many times on both Happy Kids and Hollywood Classics in the Vietnam Feed, so you'll understand what I'm talking about.

THREE O'CLOCK PRAYER
You expired, O Jesus, but the source of life flowed out for souls and an ocean of mercy opened up for the whole world.
O Fountain of Life, unfathomable Divine Mercy, envelop the whole world and empty Yourself out upon us.
O Blood and Water which flowed out from the heart of Jesus as a fount of mercy for us, I trust in You.
Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and the whole world.
Amen.
Jesus, King of Mercy, I trust in You!
